

PRAYING SEVEN DAYS  
*for the*  
BENGALI HINDU

### **DAY ONE**

Pray for the Bengali Hindu who believe in millions of gods and goddesses that they will know there is one God and that He loves them. Pray against the demonic spirits of oppression and false religions that hold them in darkness to the light of the Gospel.

### **DAY TWO**

Pray for God “to bind the strong man” so that the truth of the Gospel will be made known to the Bengali Hindu in India. Pray that the Bengali Hindus will begin to hunger for a personal relationship with God.

### **DAY THREE**

Pray that the social caste system in India will not isolate the Bengali Hindu from the truth of the Gospel. Pray that God will open the hearts of India’s governmental leaders to allow Christians to worship and spread the message of Jesus Christ.

### **DAY FOUR**

Pray for God to deliver the Bengali Hindu from their belief in reincarnation and that they will find true life in Him. Ask God to reveal Himself to the Bengali through dreams and visions as well as the spoken Word from Bengali believers.

### **DAY FIVE**

Pray for the development of oral Bible tools to communicate the truth of God’s salvation for man to the Bengali Hindu who cannot read. Pray for the new translation of the Bangal Scriptures that will give the truth of God’s Word to those who read.

### **DAY SIX**

Pray for God to take authority over the spiritual principalities and powers keeping the Bengali in darkness. Pray specifically for this to happen in the Darjeeling, Koch Bihar, Jalpalguri, Dinajpur and Malda areas of West Bengal, India.

### **DAY SEVEN**

Pray for God to give boldness to the Bengali believers to share their faith with their own people. Pray that strong local churches will be raised up among the Bengali and new believers will be discipled.
